Pete Buckley : A Long Walk in the Alps: The Eiger to the Matterhorn before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Long Walk in the Alps: The Eiger to the Matterhorn:

Pete Buckley trades in the campervan for a pair of boots and a half price train ticket and sets off through Switzerland to journey from the Eiger to the Matterhorn.

About the Author Pete Buckley runs the mountain walking website easywayup.com and has travelled extensively in Europe and further afield. He is the author of *31 Days in a Campervan*, recounting a journey around New Zealand made during the summer of 2005 and *A Long Walk in the Alps* which is his second book. He lives in the Blackburn area, is married to Jacqui and has two sons, Josh aged 10 years and Daniel aged 7 days at the time of writing.
