Service Nova Scotia and Municiple Relati : A Map of the Province of Nova Scotia: Fourth Revised Edition with Index of Geographical Names before purchasing it in order to gage whether or not it would be worth my time, and all praised A Map of the Province of Nova Scotia: Fourth Revised Edition with Index of Geographical Names:

0 of 0 people found the following review helpful. Five StarsBy starshacame in excellent condition am very satisfied0 of 0 people found the following review helpful. trip in the makingBy robyn b fernaldyes it did..love the map book12 of 12 people found the following review helpful. a MUST HAVE for Nova Scotia travelersBy Morgan Robertson (anu2@america.net)This book was recommended to me by a Nova Scotia native when I was preparing for my first-ever trip to the area to do my genealogical research. It is outstanding for people looking for out of the way areas. It is broken down into counties, and then each county is gridded out similar to the Thomas Guides in the US. I felt extremely confident in driving in the lesser-known areas because I had this book with me at all times. It is a definite must have book for any traveler heading north.

This handy and useful book conatins a detailed map of Nova Scotia on 46 full-colour pages. On the maps you will find

a wealth of information including roads and trails railroad lines and county and municipal boundries.
