**Zahra Freeth : A New Look at Kuwait** before purchasing it in order to gage whether or not it would be worth my time, and all praised A New Look at Kuwait:

This book, first published in 1972, describes a Kuwait normally hidden to the eyes of visitors. The author draws upon a vast experience of the country, from both before and after the discovery of oil, and analyses the changes to the physical appearance of the city as well as the changes to the customs and outlook of its people.
