Tom Hobson : A Parent's Guide to Seattle (Parent's Guide Press Travel series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Parent's Guide to Seattle (Parent's Guide Press Travel series):

From Seattle's vibrant downtown, with its historic and hip districts, to its many unique neighborhoods and surrounding natural wonders, this travel guide takes a look at the entire region and highlights entertaining and educational activities parents and kids can enjoy together. Classic Seattle tourist destinations—such as the Space Needle, Pike Place Market, the Pacific Science Center, and the Underground Tour—are presented with a family focus, as are unique and out-of-the-way sights such as the giant Volkswagen-eating troll, majestic Snoqualmie Falls, the Enchanted Forest theme park,

Gasworks Park, and the store that sells size 74 underpants.
