It is very loyal to the old Persian textbooks and will remind you of good old timesBy MasThis book is well written and well illustrated for the budget. It is very loyal to the old Persian textbooks and will remind you of good old times. It has a very good flow to it and kids, if curious, will love it. Well done.0 of 0 people found the following review helpful. Five StarsBy rahil nazarianI highly recommend this book, my daughter is so excited and I just started to teach her6 of 6 people found the following review helpful. The Book for Farsi native speakers only. NO EnglishBy BeThe book is for farsi native speakers only. It is a child's book for learning how to write. This book does not have English explanations for learning Farsi.

Persian (Farsi) first grade reader geared to children living outside of Iran. The author, Lily Ayman, created the textbooks used in Iranian public schools before the 1979 revolution. The book is completely in Persian.

About the Author Lily Ayman has been trained in preparation of reading materials in the United States, England and France. She was the author of the standard elementary reader used in all elementary schools in pre-revolutionary Iran. She presently teaches Persian at the University of Chicago.
