**Europa Publications : A Political Chronology of Africa (Political Chronologies of the World)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Political Chronology of Africa (Political Chronologies of the World):

Provides an impartial record of the political events that have helped to shape social, cultural, geographical and economic history in the countries of Africa. Key features include: \* Individual country profiles \* The major political events that have shaped each country \* Charts each country's political progress \* Covers major events and developments from the early history of each nation to recent events \* Greater emphasis is given to more contemporary events, particularly in nations that have undergone major political upheaval in recent years \* Details the elections, wars, disputes, diplomatic activities and changes to national borders by invasion, annexation and treaty that have had a major influence on history
