A Reed Shaken By the WindBy Heidi VernonThis is a revelatory book about the culture of the Marsh Arabs in Iraq. The author travels with the famous expert, Wilfred Theisiger and gives the reader a deep understanding of why Iraq will resist any central government's attempt to form a cohesive central government. A classic!

This 1967 title is a portrait of the marsh Arabs of southern Iraq. Maxwell presents his impressions of these secluded people, along with numerous photos. Although intended as a travel book, this make more of a historical or sociological study now, given the...turmoil in Iraq.--Library Journal.
