**Harry, 1856-1933 De Windt : A Ride to India across Persia and Baluchistn** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Ride to India across Persia and Baluchistn:

8 of 8 people found the following review helpful. An Interesting Area StudyBy Tenchi in DCThis book details a trip from Tbisili to British India across Persia (now Iran) in the late 19th century. The choosen route is somewhat mysterious. I was disappointed that the author didn't go the entire length of Persia. He instead makes a beeline for Bushehr and takes a steamer to Gwadar. From there he goes inland to Quetta. Along the way you get the reflections of a 19th century British citizen. I found the entire story an interesting look at southwest asia 120 years ago.0 of 0 people

found the following review helpful. Engrossing By Ann Haefele You can enjoy this journey without understanding the area's geography, but each bit of the map you can imagine makes the story more detailed. Good descriptions of the physical and cultural life of the inhabitants, make the story of this adventurous journey just zoom by.
