National Geographic Maps - Adventure : Alps (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alps (National Geographic Adventure Map):

Waterproof Tear-Resistant Travel Map National Geographic's Adventure Map of the Alps is an invaluable tool for travelers seeking to explore the iconic mountain range that stretches across eight European countries including Austria, France, Germany, Italy, Liechtenstein, Monaco, Slovenia, and Switzerland. This expertly crafted map includes the locations of thousands of cities and towns with an index for easily locating them, plus a clearly marked road network complete with distances and designations for motorways, dual carriageways, trunk roads, main roads, and minor roads. Seasonal closures are noted as well. National parks, botanical gardens, castles, churches, hot springs, archaeological sites, spas, museums, and other points of interest are clearly indicated so travelers can take advantage of the regions many natural attractions and activities. The front side of the print map covers the western portion of the region from Grenoble, France and Geneva, Switzerland south to Milano, Italy and east to the western border of Austria. It also includes the countries of Liechtenstein and Monaco, and the cities of Torino and Zurich. The Mediterranean coast is shown from Cannes, France to Genoa Italy. The eastern side covers Munich (Munich), Germany in the north to Vicenza, Italy in the south, and reaches to Trieste, Italy and the borders of Croatia and Hungary. The cities of Vienna, Innsbruck, Treviso, and Ljubljana are also included. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel.
