but this is a tiny, thin book. It's more like a brochure. It is written in question/answer format, with a one sentence or two answer. Would recommend, but a better price would be a few dollars.0 of 0 people found the following review helpful. Very informativeBy CustomerThis was a very educational book that lets you know fun facts about Iran that is so fun to know.0 of 0 people found the following review helpful. InaccurateBy AdmirerOfBeautyI lived in Iran. This book is inaccurate. Author knowing USA is in conflict with this country, had a responsibility to do the research if nothing else.
