Dennis Werner : Amazon Journey before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazon Journey:

0 of 0 people found the following review helpful. it is very easy to manipulate love it!By Bridget Clarkenot very pretty, but they have plenty of use Good company communications follow-up. I can't believe, can buy to the economical and applicable products here, this is a pleasant shopping.Now I am ordering again, to give my girlfriends, I'm sure she'll like it. The product meets or exceeds everything in the product description. would not hesitate to order again! Works great, no problems so far

Written with both popular and academic readers in mind, *Amazon Journey* is a study of one of the few remaining native Amazonian tribes to maintain its traditional way of life. The book details the author's year living among the Mekranoti, learning their language, accompanying them on jungle excursions and observing their daily lives. The book traces a vivid narrative while outlining methods of research in the field.

From the Publisher This book provides a particularly insightful narrative account of the author's living in the middle of the jungle among the Kayapo and Mekranoti Indians for one year.
