Pilgrims from France to Spain through difficult country with the most interesting story of the travails of the thousands of Pilgrims who walk this route every year. It made me wish I was young enough to go to France to start this epic journey. Of all Anne's wonderful stories, this to me, was the most fascinating. I have read it three times. 0 of 0 people found the following review helpful. A biking adventure and it seems you are never too old. Great By Customer I enjoyed this book and great condition. Fun to read of others' adventures

Vikings, Romans, Viennese Turks, Native Americans, pilgrims, outlaws, football fans, ballerinas, and saints: these myriad wonderful characters populate the pages of Anne Mustoe's fascinating book as she pedals along three very different, but equally evocative, roads: the Amber Route from the Baltic to the Adriatic, the Santa Fe Trail from the Missouri River to New Mexico, and the Pilgrims' Way of St. James from Le Puy to Santiago de Compostela. Battling against ferocious winds in Jutland; blizzards in the Rockies; traffic jams of cyclists along the Danube; and menus in Czech, Hungarian, and Basque, Mustoe survives with her usual fortitude and wry humor, even when she is knocked off her bike by a short-sighted nonagenarian in a Fiat Panda. Her warm and accessible style brings to life the history and magic of three fascinating roads following in the footsteps of merchants and pilgrims.

"Evocative reading" * Observer * "Written by a real traveller" * Wanderlust * "Her wry sense of humour is one of the great charms of Lone Traveller" * Daily Telegraph * About the Author Anne Mustoe is a travel writer whose other titles include A Bike Ride: 12,000 Miles Around the World and Lone Traveller: One Woman, Two Wheels and the World.
