**Beth Homicz, Annie Eddy : AMC's Best Day Hikes Near Washington, D.C.: Four-season Guide to 50 of the Best Trails in Maryland, Virginia, and the Nation's Capital** before purchasing it in order to gage whether or not it would be worth my time, and all praised AMC's Best Day Hikes Near Washington, D.C.: Four-season Guide to 50 of

the Best Trails in Maryland, Virginia, and the Nation's Capital:

0 of 0 people found the following review helpful. This book provides a good summary of trails in the DC area  
By Alberto Grosmark  
This book provides a good summary of trails in the DC area. However, it stretches too far in the Appalachian regions while leaving some other good trails in DC not covered. Some key information is also not provided such as location of bathrooms, which is very important for non-scouts strollers such as third age folks.  
0 of 0 people found the following review helpful. Great way to see D.C.!  
By MilMom  
Awesome! It was so nice to see everything mapped out. I also love that I can just thumb through and pick a hike that fits our time schedule.

Fully revised and updated, this guide offers 50 of the best hikes in Washington, D.C., Maryland and Virginia that can be completed in less than a day. From the ancient rock faces of Calvert Cliffs State Park to the bountiful meadows of northern Virginia, from Chesapeake watersheds to the shores of the Potomac River, visitors and residents alike will delight in the richness of trail experiences in and around D.C.

About the Author  
Beth Homicz qualified for her Washington, D.C. professional tour guide license in 1994. For seventeen seasons, she led some 15,000 visitors on lively, memorable adventures through the nation's capital and the East Coast's cultural and historical sights.  
Annie Eddy is a freelance writer and hiking enthusiast living in the Baltimore  
Washington, D.C., metro area. After graduating from Williams College, she relocated to Baltimore. Her professional pursuits include blogging for Impact Design Hub, a media platform for designers working for social change, and assisting in the planning, marketing, and running of the annual Writing from Nature workshop.
