Rob Hicks : Amelia Island (Then and Now) before purchasing it in order to gage whether or not it would be worth my time, and all praised Amelia Island (Then and Now):

0 of 0 people found the following review helpful. Love this book!By hesmineBought this as a gift. Recipient loves it. Lots of pictures that remind us what the island looked like when we were young. Would highly recommend for Amelia Island lovers.0 of 0 people found the following review helpful. Two StarsBy C. OwensCheaply printed 2-color instead of 4-color. Current photos should be in full color.1 of 2 people found the following review helpful. Five StarsBy Altogether American Signs, LLCGreat Book

After seeing its golden age in the 1800s and early 1900s, Amelia Island slipped into a calm and quiet slumber for most of the 20th century; nevertheless, the local paper mills provided an important economic base that brought people and jobs to the area. It did not take long for people to discover the majestic beaches of the island, and growth followed. Companies specializing in resort development soon arrived, and the island became a popular vacation destination. Throughout that transformation, local residents worked hard to keep the small-town feel, natural surroundings, and historic relevance intact.
