**Gladson I. Nwanna : Americans Traveling Abroad: What You Should Know Before You Go** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Americans Traveling Abroad: What You Should Know Before You Go:

0 of 0 people found the following review helpful. Outdated but still useful By Janna HI didn't realize the book was printed in 1996 so the internet covers many of these topics. However, it was very cheap to purchase and it helped me

to ask the right questions and examine the best information to prepare for my trip. 4 of 4 people found the following review helpful. This Book Is A Definite MUST HAVE By A Customer I would recommend this book to anyone traveling abroad. The information is targeted for all people, from children to seniors. It also offers wonderful advice beginning with before you leave on your trip to after you have returned. A definite must have for ALL travelers.

A bestseller, encyclopedia of money-saving, shopping, health and safety tips, and references for international travelers, with tips and general information for business, pleasure, disabled, unaccompanied minor, student, women, and older travelers; and covering every region of the world (over 170 countries). Other topics covered include visa and entry/exit requirements, customs requirements and duties, emergencies abroad, adoption and abduction, import/export requirements, tipping guidelines and more.

"...a very thorough compilation of travel information which should be helpful to Americans traveling abroad." -- H. Wayne Berens, Chairman, Institute of Certified Travel Agents. "A very unique complete book. Contains much useful information including warnings and cautions not found in regular tourist literature. Includes travel tips for the disabled, dealing with foreign officials, drug laws etc. The nitty gritty of traveling that looks deeper than the usual tourist attractions. A must for the frequent traveler or public library collection." -- Jean Alexander, Regional Administrator, County of Los Angeles, Public Library. "Americans Traveling Abroad is very detailed, it contains everything from what to do if you are held hostage to how to obtain visas. This book would be an excellent addition as a reference work for libraries, travel agents and companies doing business abroad." -- Christopher J.J. Thiry, Map Librarian, New York Public Library. "Anything that promotes the goal of traveler safety and security must be applauded. Your effort to compile and organize a comprehensive anthology of information on the subject is a positive and useful step toward this goal." Edward R. Book, President, Travel Industry Association of America. -- Edward R. Book, President, Travel Industry Association of America. "Every American traveling abroad should buy a copy of this ultimate guide. It's a definitive international traveler's resource covering everything from abduction to vaccinations. This remarkable tome sets a new standard for world travel and tourism. No inexperienced traveler should leave home without it." -- Andrew S. Linick, Ph.D, Chairman/CEO, Travel, Tourism, Transportation and Hospitality Adviceline. Bestselling Author of Guide to Trouble-Free Travel. "Terrific! It's great to have all the necessary international travel information at your finger tips rather than trying to find the one single publication. A great asset for Human Resource departments that are responsible for relocating employees and their families overseas." -- John H. Hintz, President National Business Travel Association. "The Americans Traveling Abroad Resource Guide is without a doubt the most complete compilation of information I believe I have ever seen in one publication. There isn't anything that I am aware of that has been left out. An excellent resource guide." -- Robert W. Whitley, President United States Tour Operators Association. "The book is very instructive." -- Mark T.V. Shaw-Lawrence, Executive Director, Society for the Advancement of Travel for the Handicapped. "This is a wonderful resource book. It is full of valuable information. It provides answers to some of the most frequently asked questions." Rose Jaskulsky, Owner, Travel Advisors, Baltimore, MD. -- Rose Jaskulsky, Owner, Travel Advisors, Baltimore, MD. "This is an extremely useful compilation of information, much of which would not be available in small libraries, and useful in large libraries with U.S. Documents because it compiles the wealth of information in one easy source." -- Harriet C. Jenkins, Librarian, Enoch Pratt Free Library, Baltimore, MD. From the Publisher This is one book in group of international travel books published by the author for World Travel Institute. Some of our other books by this author that may interest you include "Practical Tips For Americans Traveling Abroad: Ignore Them At Your Own Risk" and "Do's and Don'ts Around The World: A Country Guide to Cultural and Social Taboos and Etiquette." The Do's and Don'ts books are a series of 9 different books covering every region in the world, and almost every country in the world. You can also check our website at [www.worldtravelinstitute.com](http://www.worldtravelinstitute.com) or search for other related books by this author by typing the words "Gladson Nwanna" From the Author This is a must read book for every American Traveling Abroad or planning a trip to a foreign country, particularly for the first time. As the reviews bear out you must read it BEFORE YOU GO. Your safety and an incident-free travel abroad means a lot to me. Have a wonderful trip!
