Tom Wharton, Gayen Wharton : An Outdoor Family Guide to the Southwest's Four Corners before purchasing it in order to gage whether or not it would be worth my time, and all praised An Outdoor Family Guide to the Southwest's Four Corners:

0 of 0 people found the following review helpful. Good BookBy P. BohlingWe recently went to Mesa Verde and Southern Colorado. I looked for an overall book to help with some hikes for my kids...teens! It wasn't quite what I was looking for (I wanted more of an "insiders guide") but, we used it and will most likely take it on vacation again.

Comprehensive guides to family-friendly outings.
