Herb Lester : An Uncle's Guide to London: More of the Usual and Unusual before purchasing it in order to gage whether or not it would be worth my time, and all praised An Uncle's Guide to London: More of the Usual and Unusual:

Informed by on-the-ground research, Herb Lester's handy, folded guides uncover what makes a city special. Each entry comes with its own brief description, and a basic map helps the reader get their bearings and make plans. Printed on a single sheet of 100% recycled paper, they're light, portable and an ideal companion. Days out with children in London can be hard work, but not with this guide which hand-picks 29 places that should be diverting to young and

old. There's bowling, boating, aeroplanes, swimming, dinosaurs, trench warfare and chickens. We cannot guarantee a good time will be had by all, but we are quietly confident.

About the AuthorHerb Lester Associates publish guides for tourists and locals: witty, pretty, curious and opinionated. We research, write, print and distribute maps and guides to the world's great cities. We seek out the well-used and much-loved, and enjoy the extraordinary as well as the everyday.
