review helpful. Very informative for the single guy heading to Angeles City to party with Filipino bar girls! By Dave I'm planning my first trip to Angeles City myself in August 2017 so I decided to read this book to get some idea's as to which bars are best. It's really all about one middle age guy's adventures of his partying in the bars of Angeles City, Philippines written as a daily diary of sorts. He gives plenty of details on which gogo bars featured the hottest girls and the wild times he had. You've got to give this bar monger credit. He parties hard! overall very informative for guys planning their first solo trip to Angeles to find sexy 20 year old Filipino bar girls that will give you that girlfriend experience and screw you until the sun comes up! I can't wait to get there later this summer! 0 of 0 people found the following review helpful. A handy sex vacation guide By Dave Hornung Gave quite a bit of information, but more then I wanted to know about what he did with all the different girls.

This book is all about one middle age mans adventures in Angeles City, Philippines after hours. The bars, all night discos and the many massage shops where a single guy can end up with a great oil massage and the optional happy ending. I found out that in Angeles City that a middle age guy like me with enough dollars in your wallet makes you a most handsome man to every Filipino bargirl youll meet! It doesnt matter if youre fat and bald or ugly as a pig there are plenty of pretty bargirls waiting to make you feel like a celebrity! The Philippines is a place where I found out that you can have sex from mid-afternoon to 5am the next morning with multiple girls or you can just go for the girlfriend experience as Filipino girls speak English so theyre easy and fun to spend time with! Some of the wild stories I write about sound almost too wild and crazy to be true yet they are! Did I spend a lot of time in the pursuit spending intimate time with young beautiful Filipino girls in the bars, massage shops and discos night after night? Yes, I did! Its not for everyone but for single or divorced guys the nightlife can be heaven on earth especially if youre over age 50. Back in a western country lets face it unless youre a millionaire the ladies look at you like a dead man walking. In the Philippines, attractive girls in short, tight dresses will make you feel like a young man again. Do the bar girls and massage shop workers also think youre a walking ATM machine? Sure, they do! But is that any different from a woman in the west that wants to know what kind of job you have, car you drive and how new it is and whether you rent or own your home before she ever decides to go out on a date with you? Make no mistake, partying with 20-year-old girls in the bars and discos of Angeles City can be addictive and even dangerous at times but thats Angeles City After Hours. The alternative is to stay home, grow old and wait until you flat line and fall face down into a bowl of oatmeal at the nursing home when youre 85 years old. Personally, Id rather flat line with a 20-year-old Filipino girl that I picked up from an all-night disco riding me hard until my heart pops like a balloon. We all have to go sometime. But some ways are better than others. What will you choose? If I can do it then you can too! What are you waiting for? Read about my true adventures in Angeles City After Hours and then start planning your next vacation to the Philippines too! Its a virtual "How to guide for men" to party like a rockstar in the Philippines with Filipino bargirls!
