**Donald Street : Anguilla to Dominica: including Anguilla, St. Martin, St. Barts, Saba, Statia, St. Kitts, Nevis, Antigua, Barbuda, Montserrat, Redonda, Guadeloupe, ... Cruising Guide to the Eastern Caribbean)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Anguilla to Dominica: including Anguilla, St. Martin, St. Barts, Saba, Statia, St. Kitts, Nevis, Antigua, Barbuda, Montserrat, Redonda, Guadeloupe, ... Cruising Guide to the Eastern Caribbean):

0 of 1 people found the following review helpful. book was falling apartBy C R ShawThe information is detailed and is useful for navigation but the condition of the book is very poor. I bought it as a new book and the pages began falling out the first time I opened it. The pages were yellowed inside like it had been on the shelf for 10 years and the bindery had failed for at least a third of the pages. I expect the pages to continue falling out making this a pretty useless reference for me on my sailing trip.0 of 1 people found the following review helpful. One StarBy Luis M GonzalezVery poor showing. No actualized! Very old comments. No actual photos!

Streets Guides are the result of his forty-four years of Caribbean experience his first guide to the Virgin Islands (1964) has been expanded over the years to cover the entire eastern Caribbean. These guides give the mariner all the information needed to safely cruise the area, not only piloting information but also interesting background information on people, places and history.

"...all other guide authors have followed in Street's and Iolaire's wake, avoiding the rocks and shoals Street and Iolaire discovered." -- Patience Wales, Editor, SailAbout the AuthorD. M. Street, Jr., a lifetime sailor, has spent forty-four years cruising, charting and writing about the Caribbean. Forty of those years were spent on his 46 engineless yawl, Iolaire, built in 1905. He has spent the last four years on his 28 engineless yawl, Lil Iolaire, gathering information for his guides in the winter and cruising European waters on Iolaire in the summer.
