**Will Randall : Another Long Day on the Piste** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Another Long Day on the Piste:

Writer, adventurer, ex-teacher and veteran of umpteen travel disasters, Will Randall has fallen off donkeys in Spain

and out of canoes in the Solomon Islands, but none of this has prepared him for a disastrous season as a ski-bum with a posse of raucous, hard-drinking ex-students. Dismally unfashionable and hopeless at skiing, Randal finds that his stay in the charming Alpine backwater of mont St Bernard brings a whole host of new opportunities for domestic catastrophe, romantic rejection and public humiliation, including a stint as a chalet girl and an encounter with a Russian oligarch and his hair-raising entourage. Wry, self-deprecating and deliriously funny, ANOTHER LONG DAY ON THE PISTE is a rollercoaster of a travel adventure and essential apres-ski reading.

...side-splittingly funny... Randall is a gifted raconteur... FRENCH NEWS timely and humorous DAILY MIRROR Unremittingly calamitous, self-deprecating and entertaining DAILY MAIL SKI + SNOWBOARD Highly entertaining . . . there is much pointed irony and satire to enjoy THE TIMES About the Author Will Randall has taught in schools in Devon and London and is the author of SOLOMON TIME, INDIAN SUMMER and BOTSWANA TIME. He is currently in the US writing his next book.
