Alan Trussell-Cullen : Antarctic Animals Fast Lane Blue Non-Fiction before purchasing it in order to gage whether or not it would be worth my time, and all praised Antarctic Animals Fast Lane Blue Non-Fiction:

Fast Lane is a brand new reading intervention series developed for 8 to 14-year old struggling readers. It provides them with a variety of engaging, wonderfully illustrated stories and non-fiction texts which will appeal to even the most reluctant child reader. The series provides a complete programme for junior reading intervention, and each book comes with a mini-audio disk for supporting and reinforcing children's fluency in reading.
