Angela Scott, Jonathan Scott : Antarctica: Land of the Penguins (Collins Big Cat) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Antarctica: Land of the Penguins (Collins Big Cat):

The survival of the white continent's most famous inhabitants is the subject of this beautiful book. The beauty of Antarctic and the enchanting secrets of its penguin population is brought to life with a delightful series of photographs by the Big Cat Diaries team of Jonathan and Angela Scott.

About the Author Jonathan and Angie Scott are award-winning wildlife photographers based in Kenya. They have

travelled to the furthest corners of the globe in search of material for their work and have produced more than twenty books. They are particularly proud to be authors of titles in the Collins Big Cat series, as education and conservation are particularly close to their hearts.
