**deDios : Antarctica Map Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Antarctica Map Guide:

Folded map guide. Scale 1:12,000,000/1:1,800,000. Side 1 shows a map of the Antarctic continent, its history, explorers and an inset map of the Antarctic treaty. Side 2 shows a map of the Antarctic Peninsula, Deception Island, the Danco coast and information on the birds/mammals/fish and plants found on Antarctica.
