David Petersen : Antarctica (True Books: Continents) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Antarctica (True Books: Continents):

3 of 4 people found the following review helpful. Great Book on Antarctica!By Lynn EllingwoodThis is a really wonderful book about Antarctica. I have yet to find such a thorough book on the subject that was also easy to read. I learned things I haven't heard before and the book clarified points for me that I had questions about. I love the True Books, they are a great series.3 of 5 people found the following review helpful. Very good intro to the continentsBy SaintsfanMy daughter (almost 5) these books as an introduction to Geography (recommended in the Core Knowledge books). We've both learned a lot!

An overview of the history, geography, climate, and wildlife of Antarctica.

About the AuthorDavid Petersen is the author of several nonfiction books for children.
