**National Geographic Maps - Trails Illustrated : Apache Creek, Juniper Mesa [Prescott and Kaibab National Forests] (National Geographic Trails Illustrated Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Apache Creek, Juniper Mesa [Prescott and Kaibab National Forests] (National Geographic Trails Illustrated Map):

1 of 1 people found the following review helpful. Don't leave home with out them!By Delver RootnoseGreat maps, DO NOT go off road with out them... Highly accurate, elevation lines, etc. 'nuff said.1 of 1 people found the following review helpful. National Geo Maps Are GreatBy B. RayIt's a map, nothing too complicated. All the national geo maps are awesome. I own every single one published for Arizona.0 of 0 people found the following review helpful. Five StarsBy kathie Farrisnice

Waterproof Tear-Resistant Topographic MapOutdoor enthusiasts adventuring through the northern half of Prescott National Forest will find National Geographic's Trails Illustrated map of Apache Creek and Juniper Mesa an essential travel companion. Covering the area with unmatched detail, this comprehensive map was expertly researched and created in cooperation with the U.S. Forest Service and others. Some of the recreation hotspots shown are Apache Creek, Juniper Mesa, Woodchute and Granite Mountain Wilderness areas, Upper Verde River State Wildlife Area, Black Hills and Verde Wild and Scenic River.Explore the area by following mapped trails, clearly labeled for motorized or non-motorized use, including parts of the Great Western Trail, which are highlighted. To aid in your navigation, the map displays contour lines, elevations, labeled peaks, summits and mesas, water features, areas of wooded cover, selected waypoints, numbered Forest Service roads and clearly marked areas of public and private land. Additionally shown is a complete road network including scenic byways, as well as the Chino Valley area. Other recreation features pinpointed are trailheads, campgrounds, ATV areas, motorcycle trails, shooting ranges, boat launches, picnic areas and scenic viewpoints. Background information about the various public lands, a recreation overview, safety tips and essential contact information are also provided.Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.Other features found on this map include: Big Chino Valley, Chino Valley, Granite Mountain, Granite Mountain (AZ) Wilderness, Juniper Mesa Wilderness, Juniper Mountains, Kaibab National Forest, Lonesome Valley, Prescott National Forest, Prescott Valley, Santa Maria Mountains.Map Scale = 1:70,000Sheet Size = 25.5" x 37.75"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
