Brochure provides information at a quick glance. 1 of 1 people found the following review helpful. Just what I needed. By Max I'm glad I got this before booking the trip. It's rich with information that isn't found on the nps webpages. Very helpful that it's waterproof and I'd say fire resistant too. It came fast and in perfect shape. 0 of 0 people found the following review helpful. Five Stars By Alonzo Monroe Needed this for the next trip!

Waterproof Tear-Resistant Topographic Map National Geographic's Trails Illustrated map of Apostle Islands National Lakeshore was created for outdoor enthusiasts looking to savor the area's unique combination of cultural resources, natural beauty and historical significance. Created in partnership with the National Park Service, U.S. Forest Service, Wisconsin Department of Natural Resources and Bayfield County Land Records Department, this expertly researched map covers the 21 islands and 12 miles of Lake Superior shoreline that comprise the national lakeshore with unparalleled detail. Also covered by the map are Red Cliffs Indian Reservation, Madeline Island, the northeastern corner of Chequamegon-Nicolet National Forest and the Bayfield Peninsula. The map's many recreations points of interest will aid your exploration of the islands. Boat and kayak launch areas and marinas on the mainland are all marked along with the docks on the various islands. Lake Superior and the many bays all appear with bathymetric contour lines and soundings. Hiking trails with topographic contour lines and elevations will assist in your exploration on land. Additional recreation features include areas for snowmobiles, downhill and cross-country skiing, picnics and camping. The area's lighthouses and sea caves are all pinpointed. To help plan your visit, the map provides an island-to-island mileage chart, background information about the national shoreline and Gaylord Nelson Wilderness, camping regulations, safety tips and essential contact information. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Apostle Islands, Chequamegon National Forest, Chequamegon Point, Madeline Island, Michigan Island, Oak Island, Outer Island, Sand Island, Stockton Island. Map Scale = 1:50,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"
