National Geographic Maps - Trails Illustrated : Appalachian Trail, Delaware Water Gap to Schaghticoke Mountain [New Jersey, New York] (National Geographic Trails Illustrated Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Appalachian Trail, Delaware Water Gap to Schaghticoke Mountain [New Jersey, New York] (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. We did a test to see if the mileage was accurate on one of the trails and it was so we were happy about that. By Customer Just started using the map. We did a test to see if the mileage was accurate on one of the trails and it was so we were happy about that. 0 of 0 people found the following review helpful. Buying more. By Barbara Jeanne Great series of maps, accurate, great clarity. 0 of 0 people found the following review helpful. Good Map. By G. Keller excellent map of area with all details I needed.

Waterproof Tear-Resistant Topographic Map The Delaware Water Gap to Schaghticoke Mountain Topographic Map Guide makes a perfect traveling companion when traversing the New Jersey and New York sections of the Appalachian Trail (A.T.). The trail through New Jersey and New York is surprisingly rugged, and much more remote than one would imagine given its proximity to large population centers. For 160 miles the trail follows long mountain ridges; travels across bogs, wetlands, and broad river valleys; and meanders through numerous state parks, forests, and national park land. Each A.T. Topographic Map Guide includes detailed topographic maps at a detail of 1 inch = 1 mile. Each page is centered on the A.T. and overlaps with the adjacent pages so there is little chance of getting lost. Along the bottom of each page is a trail profile that shows the distance between shelters, camping areas, and trail access points. The map and trail profile provide a step by step visual guide to hiking the trail, mile by rugged mile. The Topographic Map Guide is built for all levels of hiking enthusiasts, from the day tripper to the multi month 'thru-hiker'. The front pages of the printed Topographic Map Guide include resupply information, town inset maps, camping options, and much more. Every Topographic Map Guide is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Bear Mountain State Park, Bear Mtn, Brink Road Shelter, Clarence Fahnestock Memorial State Park, Culvers Gap, Delaware Water Gap, Delaware Water Gap National Recreation Area, Fingerboard Shelter, Gren Anderson Shelter, Harriman State Park, High Point Shelter, High Point State Park, Hudson Highlands State Park, Kent, Kirkridge Shelter, Mashipacong Shelter, Morgan Stewart Shelter, Mount Algo Shelter, Newburgh, Pawling, Pochuck Mountain Shelter, Port Jervis, RPH Shelter, Rutherford Shelter, Stokes State Forest, Stroudsburg, Telephone Pioneers Shelter, Ten Mile River Shelter, Unionville, Warwick, Wawayanda Mtn, Wawayanda Shelter, Wawayanda State Park, West Mountain Shelter, West Point, Wildcat Shelter, Wiley Shelter, William Brien Memorial Shelter, Worthington State Forest. Map Scale = 1:63,360 Folded Size = 4.25" x 9.25"
