From DK Publishing : Arabic Phrase Book (DK Eyewitness Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arabic Phrase Book (DK Eyewitness Travel Guide):

0 of 2 people found the following review helpful. This arrived as promised. By Thor Nelson This phrase book was received by me in the time and condition advertised. The seller was good. It was my least favorite phrase book in Morocco. I am a native English speaker and have learned some arabic prior to travelling. It is large to walk around with. 2 of 4 people found the following review helpful. The Best Book of the Bunch!! By Terry Tozer Of all of the phrase books on Arabic I have, this has to be the best. It beats all of the other I have with pronunciation in particular is aid out in a very logical intuitive way. It's neat, small and easy to read use. It has all the essential words phrases that

you would expect to want to use in most situations. The larger dictionary types of book take too long to find the right phrase to use. At least with this book you can actually learn some Arabic put it to use straight away rather than just learn a list of words. It doesn't really matter whether you are travelling to Egypt, Tunisia, Morocco or the Lebanon for example, the Arabic basics used in this book will help you get but very successfully in each of the above countries and the rest of the Middle East. Learn just few simple basic words of courtesy and you'll be surprised and very pleased with the response you get. You'll start to make a lot of new friends all of a sudden and it will go a long way to ensure that you get more out of your holiday and have more fun. 4 of 6 people found the following review helpful. Indispensable Conveniently-sized Book Packs Light By Diana Faillace Von Behren This tiny book is not only easy to pack but should be considered as essential to a trip as toothpaste. Like the Eyewitness Travel Guides, this pocket-sized book (128 pages) has a concise format which succinctly instructs the use of phrases for any of the common travel/tourist situations. Importantly, cross-cultural notes enlighten one to the particulars of Arabic culture. Each of the other sections is prefaced by an explanatory page which either recites the grammatical rules for making a specific type of verbal inquiry, i.e. telling time, or describes different Arabic facilities and traveler's undertakings which may be unfamiliar to those with little knowledge of the Arab world. The book is peppered with phrases, written both in Arabic and phonetically for each of the eighteen topics. The topics include matters like 'Health', 'Shopping', 'Hotels', 'Air and Train Travel' etc. and includes an English to Arabic dictionary in the back. I rate this book 4 stars only because the version I bought does not contain the audio cassette. Listening and hearing the words spoken with the correct pronunciation and inflection would make the book all the more valuable.

Featuring pronunciation, a menu guide, a mini-dictionary, hotel information, and emergency phrases. Whether you're trying to order dinner or get back to your hotel, you cannot make your way without knowing what to say, and the Eyewitness Travel Guide Phrase Books are the perfect guide for tongue-tied tourists. These compact, user-friendly books fit right into your pocket or purse, and meet the communications needs of the tourist and business traveler alike. Based on an innovative system of imitated pronunciation, phrases are organized into logical and practical divisions, including time; food and drink; air travel; bus, taxi, and subway information; shopping; health and medical care; and much more. Typical replies to questions you may be asked, as well as signs and instructions you're likely to see or hear, are also given. The guides also include a carefully selected mini-dictionary, and useful conversion tables translating distance, clothing sizes, and weight.
