**Marguerite M Amaya : Archways Walkways And Cafes (full color edition): Reflections Of A Volunteer In Israel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Archways Walkways And Cafes (full color edition): Reflections Of A Volunteer In Israel:

2 of 2 people found the following review helpful. Very enjoyable and well written!By Sheila DaleVery well written!

From one who has lived in Israel, I can say that this author has captured the many and varied sights and sounds of Israel by relating her poignant and personal experiences while living in the Holy Land. I recommend this book to anyone who has visited Israel...or anyone who dreams of someday going there! Very enjoyable and oh so descriptive! I hope to see more from this author. 0 of 0 people found the following review helpful. A refreshing pro-Israel book By dh It is refreshing to read a pro-Israel book, and not just pro-Israel, but truly loved. This is not a great novel, it is like her diary that she is sharing with us. And that makes the book interesting, real life events, funny things, sad things. "Archways" is a real cheer leader for Israeli tourism, and couldn't have been published at a better time! 0 of 0 people found the following review helpful. excellent By Michael S. Franklin I was transfixed as I read this book! The descriptions of the beauty of Israel is only surpassed by the compassionate descriptions of the people she met. Worth the read!

There are few countries that have a history of thousands of years, and none like Israel. As you read this journal, you will walk under the ancient archways of the land and stroll the walkways through old Jerusalem where Yeshua , Jesus, road a donkey one Palm Sunday. You will see shops in the old City of Jerusalem that reflect the history in living color as well as in life today. As in ancient days, the People of Israel do their daily business of selling goods and food. You will smile, you will laugh, and you will cry throughout these experiences. You will picture the Cafes where we sat and shared a meal with some IDF soldiers just coming from battle, and where they share the experience of the day. This is the land of The Messiah. Come, walk with my husband and I as we work, play, serve, and wonder, in the land before time, the Holy Land, Israel. Experience a divine appointment. Shalom Marguerite (Maggie)
