Bobbie Kalman : Arctic Animals (Arctic World) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arctic Animals (Arctic World):

Looks at the characteristics and behavior of Arctic animals, including polar bears, whales, walruses, Arctic birds, caribou, muskoxen, lemmings, hares, foxes, and wolves.

Each of the four books in this outstanding series is packed with Arctic facts. Invest in this series of books and you'll have a bounty of teaching information right at your fingertips! -- The Primary Mailbox, Oct. , 1995
