**Aldo Sessa : Argentina for export** before purchasing it in order to gage whether or not it would be worth my time, and all praised Argentina for export:

Fabulous Photos of ArgentinaBy Glenn CampbellI don't know what the "For Export" means in the title, but this is the best collection of Argentina photos I have come across. Filled with fabulous color photos of every part of Argentina. Gives the reader a sense of the vast diversity of the country. Captions in Spanish and English.
