Automovil Club Argentino : Argentina Road Map, Zone 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Argentina Road Map, Zone 3:

Double-sided regional road maps of Argentina. In Spanish. Superb maps for tourists. The map shows national parks, tourist sites and services such as ACA offices, ports, railroads, ruins, dams and lakes, spot heights/elevation, distances between road junctions, and much more. Includes small inset city maps of the main cities in the region. Tourist information photographs are included, along with a location index.
