Nelles Maps : Argentina South and Uruguay Nelles Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Argentina South and Uruguay Nelles Map:

This map shows the southern 90% of Argentina, including Patagonia and Tierra del Fuego, at a scale of 1:2,500,000 (1 to 40 miles). The map uses shaded relief to indicate topography so that the mountains and plains are clearly visible. Roads, railroads and airports are all shown as are points of interest and tourist destinations. Distances are marked on the roads. Inset maps show Central Buenos Aires, Greater Buenos Aires, Comodor Rivadavia, Punta Arenas and Peninsula Valdes in greater detail. Details on the insets include hotels, public buildings, Gemples and Shopping areas. The Subway (Metro) is shown on the Buenos Aires map inset. Legend is in English, German, Spanish and French.
