was amazed of the wonder of Argentina especially the Bariloche. Amazing! Someday I will be able to set foot on this place. A great guide! Thanks Marc Cook! 0 of 0 people found the following review helpful. I always love to read about the places I am going to ...By Gabriel Mota I always love to read about the places I am going to travel to, and this guide didn't disappoint me in any aspect! Now I already know the places to visit to make my experience in Argentina the best possible! 0 of 0 people found the following review helpful. NOT an actual guidebook.... but maybe a good starting place for a very general overview By Feathin This is just a very general overview of 10 different highlights of Argentina. It is useful for answering the question "what is there to see in Argentina?", and for prioritizing what you'd want to see on a trip to Argentina, but there is absolutely zero information here on hotels, restaurants, itineraries, currency, culture, safety, or how to get from one place to another. I would definitely want a more detailed guidebook for an actual trip.

Argentina: Thrilling Adventures Await in the Land of Tango! For your next vacation, why not learn an enchanting dance, or would you prefer a more adrenaline filled trip, with water sports and great opportunities to explore the great outdoors? Or, perhaps, you wish to discover a new culture and experience a brand new city. Well then look no further than Argentina, the place to visit whether you're interested in just one or every one of these options. This country in South America offers its visitors some of the most spectacular glaciers in the world, beautiful cities and amazing natural parks just waiting to be explored. There are an outstanding number of things to see and do in Argentina, including attractions and activities for all ages and budgets. The country has so much to offer it may be hard to decide where to begin. If you're planning a trip to Argentina and still wondering where to go, this compact book offers a pick of what attractions you should plan on enjoying while visiting this dynamic country. Inside the Argentina Travel Guide: Iguazu Falls Parque Nacional Los Glaciares Buenos Aires Ushuaia Tierra del Fuego National Park Mendoza Bariloche San Martin de los Andes Quebrada de Humahuaca Beagle Channel Enjoy an amazing hike across a massive glacier that will have you talking about this once-in-a-lifetime experience for a very long time to come. Argentina also has several cities with great architecture and charm. Starting with the capital city, Buenos Aires, tourists who want to experience the Argentine lifestyle should simply take a stroll through the colorful barrio of La Boca. One of the many things Argentina is famous for is tango. But, did you know you can take tango lessons to learn the enchanting dance yourself? Well, in this easy to read travel guide you'll find out which are the most popular tango spots, but also the most interesting parks and natural reserves and what other amazing things you can do while vacationing in Argentina. Get it now! Get the Argentina Travel Guide right now and start planning an amazing vacation!
