Discover Arica like never before. Whether you are a first time traveler or avid visitor of this region of the world, this book is the perfect guide for you. Read about all the amazing surprises you could find while strolling in the city and all the must see places. Included in this book are the Salar de Atacama, the Peru-Chile Trench, and everything in between. With content from a huge community of contributors, you get the convenience and security of a real print travel guide,

but with fresh data and content. Earth Eyes Destinations represents a new publishing paradigm, allowing disparate content sources to be curated into cohesive, relevant, and informative books. To date, this content has been curated from Wikipedia articles and images under Creative Commons licensing, although as we increase in scope and dimension, more licensed and public domain content is being added. We believe books such as this represent a new and exciting lexicon in the sharing of human knowledge.
