**James Kavanagh, Waterford Press : Arizona Butterflies Moths: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arizona Butterflies Moths: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Five Stars By Don H. Grob Very nice guide  
0 of 0 people found the following review helpful. Far From Complete! By C. Fred Zeillemaker I had hoped this pocket guide would include a larger selection of "familiar" species. So, when I realized that it was actually quite limited, I gave it away to an Arizona friend who is not a butterfly student, but could possibly use it.  
0 of 0 people found the following review helpful. Does not display the butterflies in the position you are ... By Janice Richmond Does not display the butterflies in the position you are most likely to find them in. Should not try to cover moths as well.

With the second-highest number of butterfly species in the U.S., 313, Arizona boasts fantastic year-round butterfly watching. Arizona Butterflies Moths offers beautiful detailed illustrations highlighting over 70 familiar species of butterflies and moths. Laminated for durability, this flexible folding guide is an ideal source of identification to these alluring creatures. Easy to fit in a jacket or back pocket, this compact guide will educate and delight the experienced and novice lepidopterist. Made in the USA.

About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
