**Marty Campbell : Arizona Family Field Trips** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona Family Field Trips:

0 of 0 people found the following review helpful. Find information fast when you'r planning a trip or already on the road.By Linda Mardell have to keep buying this because I keep giving it away. A great reference and entertaining. So glad the recent versions preserved the hand drawn pictographs throughout.0 of 0 people found the following review helpful. A Great Find for Arizona destinationsBy SteveThis books is an excellent guide to the many and varied family outings available in Arizona. The descriptions of those places we've already visited convinced us of the realistic views

of the author. An excellent book for the outgoing!

From hiking, camping and rafting trips, to resorts and museums, Arizona Field Trips is your comprehensive guide for discovering the wonders of ARIZONA. Marty highlights many of his family's favorite Arizona destinations. Each of the nine sections in this informative guide includes a regional map, site descriptions, location and directions, amenities, fees, and helpful planning tips. It was designed to be your roadtrip planner, and will conveniently fit in your vehicle's glove compartment.

About the Author Marty Campbell is the author of Arizona Outdoor Survival and Safety Guide.
