James Kavanagh, Waterford Press : Arizona Trees Wildflowers: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arizona Trees Wildflowers: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Fold out of trees By Curtrenton This is a very good fold out that can be put in a the car or a back pack. It is lite, colorful and has very good photos for you to see the differences of trees and wildflowers. I will enjoy this since I just moved to AZ and don't know about their trees or wildflowers. I thought was AZ was just sand and cactus.....wrong. It is amazing and the mountains are beautiful. 0 of 0 people found the following review helpful. Four Stars By C. Savoie It's nice but I was really looking for a little more info. This is still quite helpful. 0 of 0 people found the following review helpful. Five Stars By Theresa Kurtzbein love it

One of the most spectacular natural events of the year is the spring wildflower bloom in the deserts of the American Southwest. This beautifully illustrated guide highlights over 140 familiar and unique species and also includes an ecoregion map featuring prominent botanical sanctuaries. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and resident alike. Made in the USA.

From the Back Cover Arizona Trees Wildflowers, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map) About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
