Robert Jr. Curzon : Armenia (Primary Sources, Historical Collections) before purchasing it in order to gage whether or not it would be worth my time, and all praised Armenia (Primary Sources, Historical Collections):

This book, from the series Primary Sources: Historical Books of the World (Asia and Far East Collection), represents an important historical artifact on Asian history and culture. Its contents come from the legions of academic literature and research on the subject produced over the last several hundred years. Covered within is a discussion drawn from many areas of study and research on the subject. From analyses of the varied geography that encompasses the Asian continent to significant time periods spanning centuries, the book was made in an effort to preserve the work of previous generations.

About the AuthorCurzon was the 14th Baron Zouche of Harringworth.
