Arnold Lee : Arnold's Brazil Guide for Foreign Investors: Showcasing First-Hand Profiles of Foreign Entrepreneurs Who Have Bought Real Estate or Started a Small Business in Brazil before purchasing it in order to gage whether or not it would be worth my time, and all praised Arnold's Brazil Guide for Foreign Investors: Showcasing First-Hand Profiles of Foreign Entrepreneurs Who Have Bought Real Estate or Started a Small Business in Brazil:

2 of 4 people found the following review helpful. Not worth the modest cost
By Kathryn Hoffman
A disjointed recounting of personal anecdotes that does not provide useful information. The title does not describe the subject, which is really "middle-aged men who come to Brazil and hope to improve their love life and make a quick profit."
0 of 1 people found the following review helpful. Excellent Read
By RawdogginKing
I lived in Rio for 7 months and learned to love the culture and people. But one thing is for certain, their customs, ways of doing business and bureaucracy are far different, more complex and difficult to navigate than any country I have ever traveled to. If you are looking for investment opportunities in Brazil, you would be doing yourself a great disservice by not reading this book. In a concise, easy to read manner, Arnold addresses almost all of the hurdles, mistakes, and time consuming bureaucratic hassle that I experienced while looking for investment opportunities during my time in Brazil. My only criticism is that this guide was not written before my trip. Definitely a must read for anyone looking to make some serious money and save a lot time in their business endeavors. I plan to reread this book many more times before my next trip to Brazil for the world cup in 2014. Thank you Arnold!
1 of 2 people found the following review helpful. Arnold's Brazil Guide
By Mike Lane
Arnold's been here in Brazil and has done his homework. His book is chockful of reality-based analysis and instruction. I've seen him do his assiduous research, and know how much he has put into this very worthwhile project. Arnold has learned a lot and has shared his knowledge effectively. You'll benefit from his research and advice. One always has to be careful with investments in any foreign environment, and good judgment is always essential. Hard-earned lessons of others are highly valued and fruitful for any future endeavors. Care, caution, and prudence are essential. Read Arnold's GUIDE and be better prepared for your ventures.

Ever think of moving to Brazil? I have, and the idea has crossed the minds of thousands of visitors who fall in love with Brazil every day. Thanks to its booming economy and playing host to World Cup 2014 and the Summer Olympics 2016, dreams are becoming realities. Many foreigners have already taken the leap to this beautiful, dynamic country. Meet 14 foreigners who already call Brazil their home. They have either bought real estate or started a small business in Rio de Janeiro and Fortaleza. You will read about their challenges, learn from their mistakes, and find valuable information like how much they paid for their property and how much it cost to start their business. As an added bonus, this step-by-step guide will walk you through the real estate and small business process. Discover useful information like: How to apply for a CPF number How to rent an apartment or house How to obtain an investment visa How to buy real estate How to buy new construction condos How to buy property outside of metropolitan areas This guide has the information you need to successfully get started in Brazil.
