I really enjoyed reading her stories.0 of 0 people found the following review helpful. a good readBy Love to readThis book is interesting and keeps your attention the whole way through! At first I was kind of irritated at the author for not giving Olivier, the cute French guy a chance. But then towards the end of the book she starts to realize she has to let things flow and not try to control them. She seems to feel more at home in America than in Europe and starts to unwind a bit and then she falls in love! She planned her dates with no down-time at the beginning and therefore was grumpy all the time! It makes you realize how important it is to always have time for yourself alone otherwise you can't enjoy things no matter how nice they are. Better to travel to one spot and stay a while than to always be on the move and tired.Great book!1 of 1 people found the following review helpful. Very entertaining!By J. CarlsonI thoroughly enjoyed this book! I had first heard of it through a radio interview with the author. And, although I knew the outcome of the story, I found it extremely entertaining and didn't want the book to end! It was the perfect read on my vacation. I am married, but I certainly could relate to many of Ms Cox's thoughts and feelings through her many different dates!

Sorry, Dorothy--sometimes your heart's desire isn't in your own backyard. Head of PR and spokesperson for Lonely Planet travel guides, Jennifer Cox has explored the most remote regions, toured the most exotic terrains, and bonded with people the world over. So how come finding her soul mate in her own hometown of London is a virtual dead end? Certain that the man of her dreams is out there somewhere, Jennifer sets out on the trip of a lifetime, dating her way around the globe--across 18 countries, in 6 months--to find The One. *Around the World in 80 Dates* is her fresh, funny, emotionally honest and revealing memoir of her global dating adventures. From the Skate Date in Paris to the High Roller in Vegas, from the Love Professor in Sweden and the Dead Date in Italy to Australia's Penguin Ranger, here is the inside scoop on a bevy of potential partners--a sharply witty and warm hearted true story that will have you breathlessly crisscrossing the international dateline along with Jennifer, to discover where in the world is her Mr. Right.
