Thomas Stevens : Around the World on a Bicycle - From San Francisco to Tehran before purchasing it in order to gage whether or not it would be worth my time, and all praised Around the World on a Bicycle - From San Francisco to Tehran:

"Around the World on a Bicycle - From San Francisco to Tehran" is a fascinating and profusely-illustrated account of

an epic bicycle journey around the world. Starting in America and travelling through Europe, the Middle East, and Finally Asia, the author's entire adventure is here chronicled for the enjoyment of bicycle and travel enthusiasts alike. Contents include: "Over the Sierras Nevadas," "Over the Deserts of Nevada," "Through Mormon-Land and over the Rockies," "From the Great Plains to the Atlantic," "From America to the German Frontier," "Germany, Austria, and Hungary," "Through Slavonia and Servia," "Bulgaria, Roumella, and into Turkey," "Through European Turkey," "The Start through Asia," et cetera. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in a modern, high-quality edition complete with a specially commissioned new introduction on the History of the Bicycle.
