Benchmark's California Road Map is the ideal portable planning tool and GPS companion for fast statewide travel. It's the only California road map that benefits from Benchmark's extensive field-checking, proven accuracy and cartographic excellence. Beautiful shaded-relief road map of California is on one side including mileage chart and insets for Napa Sonoma Coast, Redwood Coast, Lake Tahoe, Yosemite Valley to Tioga Pass, Palm Springs, Monterey and Santa Barbara Coast. The reverse side shows the urban regions of Los Angeles, San Francisco, Sacramento and San Diego.
