In the spring of 1997, Nancy Conley's life was grinding to a halt. She had divorced three years prior, her two sons were nearly raised, and her relationship with the man she was dating seemed to be going nowhere. Her professional life as a spiritual director for women's groups was at a standstill as well. Nancy intuitively knew she needed a challenge to catapult her into the next phase of her life, but nothing seemed to answer her heart's call. When a travel brochure entitled "A Shamanic Journey to Ecuador" arrived at her door and she felt her heart stir, she knew this was it, but the physical, psychological, and spiritual dangers inherent in the journey filled her with fear. Saying yes took all the courage she could muster. *Call of My Heart: The Journey to Ecuador and Beyond* is the story of Nancy's life-changing adventure into the mystical world of shamanism and the uncharted waters of her own heart and soul. Surrounded by powerful natural and supernatural forces, an ancient memory is awakened. From beneath layers of misconceptions, wounds, and fear, Nancy unearths her essential nature and rediscovers her rightful place as a beloved creature of life itself. Through a profound shift in consciousness, she experiences a rebirth into a richer, freer, more meaningful way of life.
