Calvert County is home to me!By Kay BondBought a copy for my brother for his birthday -- he graduated from Calvert High. Then I bought a copy for myself once I found out that there was a picture of my father in the book. Then I bought a copy for a friend who has lived in Calvert County all his life.0 of 0 people found the following review helpful. Five StarsBy Sealily of NHSo informative

From its early Piscataway heritage to the advanced research laboratories of today, from the tobacco farms to the sandy beaches, Calvert County has had a fascinating and diverse past. Established in 1654, Calvert played a role in both the American Revolution and the Civil War. Hosting decades of vacationing beachgoers, the region has also been called home by the many who, for centuries, have built their lives on the bounty of the Chesapeake Bay.

About the AuthorWalk on the boardwalk at the Chesapeake Beach Resort, enjoy a boat ride along Solomons Island, and relax on the shores of North Beach as local history enthusiast, postcard collector, and lifelong resident Carter T. Gray takes you on a journey through Calvert County's unique story.
