**Richard K. Gilbert, Sovandy Hang : Cambodian for Beginners** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cambodian for Beginners:

The Cambodian language made easy! Cambodian for Beginners is designed for either self-study or classroom use. It teaches all four language skills - speaking, listening (when used in conjunction with the audio), reading and writing;

and offers clear, easy, step-by-step instruction building on what has been previously learned. Lots of exercises and useful phrases. Very user-friendly and fun to use. There is an audio version that follows the book. Three CDs are available separately.
