Cristobal von Rothkirch, Tute Puerta : Campos de golf en Colombia before purchasing it in order to gage whether or not it would be worth my time, and all praised Campos de golf en Colombia:

Thanks to their privileged latitude, mild weather, and careful maintenance, Colombia's golf courses are idyllic year-round. This book provides a detailed description of more than 50 such courses including blueprints, maps of the greens, and ideal hits and illustrates the awesome natural beauty of their surrounding fauna and flora.

About the Author Cristbal von Rothkirch is a photographer and the author of Alta Colombia and The History of Coffee in Guatemala. Tute Puerta is the executive director of the Professional Golfer's Association of Colombia and one of only 10 female golf professionals in Colombia.
