**From Andrew Borsari Amy Whorf McGuiggan : Cape Cod National Seashore: Photographs by Andrew Borsari (NE Landmarks)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cape Cod National Seashore: Photographs by Andrew Borsari (NE Landmarks):

4 of 4 people found the following review helpful. Truly a treasure By W. Covington This volume in the series of Commonwealth Editions is wonderful for its rich photography. For those interested in photography, there are lessons here to be learned from a great photographer. There are fond memories here to be revived for those who have experienced the Cape. In the text one learns a bit of the history of the creation of the Cape Cod National Seashore and the quotations selected by Amy Whorf McGuiggan are elegant companions with the photographs.

An exquisite collection of images by the remarkable Andrew Borsari, celebrating one of America's most treasured national preserves. With text by Amy Whorf McGuiggan and quotations about Cape Cod.
