Jason Rothstein : Carless in Chicago before purchasing it in order to gage whether or not it would be worth my time, and all praised Carless in Chicago:

A guide to enjoying Chicago without a money-eating, gas-guzzling, smog-emiting, two-ton burden, this indispensable reference allows for city living with more money in one's pockets, a smaller bulge around the middle, and less stress about getting from point A to B. The book is perfect for autoholics or motorphobics, whether carless by choice or carless by circumstance, savvy natives or adventurous visitors alike. Survive and Thrive Car-Free in the Windy CityImagine living in Chicago with more money in your pocket, a smaller bulge around your middle, and less stress about getting from point A to B. Whether you're an autoholic or a motorphobic, carless by choice or carless by circumstance, a savvy native or adventurous visitor, Carless in Chicago is the indispensable reference and guide to enjoying the city without that money-eating, gas-guzzling, smog-emiting two-ton monkey on your back. Carless in Chicago isn't merely a survival guide for the car-free; it provides a roadmap to all the personal, financial, health, and environmental benefits to kicking your car (or even just your second car) to the curb. With the tools and techniques for going carless; information on navigating Chicago by foot, bike, CTA, Metra, and even by car when nothing else will do; and a fun, informative guide to Chicago by L.
