From EarBOOKS : Carnival in Rio: Samba Samba Samba before purchasing it in order to gage whether or not it would be worth my time, and all praised Carnival in Rio: Samba Samba Samba:

0 of 2 people found the following review helpful. Can you say "wardrobe malfunction" right on the front cover?By Rebecca PittmanThe photographs do capture the essence of Carnival in more ways than one. For starters the description fails to mention this book is full of nudity- not for children whatsoever. The front cover is showing the woman's nipple. This photographer could have been more extremely more tasteful in their photos. Clearly the woman on the front is a nipple slip and not intended which is just poor editing. Some of the women in the book bare their breasts entirely but it is how their costume is. It might be forgivable for failing to mention these details if the front cover was not done so distastefully. Great book for the coffee table of the cultural person but definitely not for my geography class as intended.

During Carnival, Rio de Janeiro shuts down business as usual and throws itself into the world's most famous party in honor of unbridled hedonism and the rhythm of Samba. If you can't experience the legendary Parade in Rio's Sambodrome or want to refresh memories of the excessive party atmosphere, Carnival in Rio is the book for you. Wonderful, sensuous photography paired with pure Samba allow you to be a part of the Brazilian lust for life and take you away to one of the hottest shows on earth. Music CDs: The grand diversity of Samba from Rio, featuring stars such as Dudu Tucci.

About the Author Terry George, born in Leeds, United Kingdom, is a self-made businessman. When not working for his own companies he enjoys spending his spare time taking photographs and traveling the world. At the age of twelve he started interviewing famous people as a hobby. Many of his interviews were not only personal scoops for the young lad, but chats thought to be important enough to be broadcast by local radio stations. Amongst those were a selection of superstars as diverse as Michael Jackson, Omar Sharif, Paul McCartney, Boy George, and over three hundred other big names from show biz. Today he is a famous event and celebrity photographer, who has worked for many well-known magazines.
